

Get the Green Light

Want to level up and get the Green Light? Here's how!

Answer facts correctly

The Green Light means you're mastering your math facts! Focus on answering them correctly to move forward.

Play Smart: Choose the Best Games

Stick with one of these games—they give you the most facts in the shortest time:

- Egyptian Conniption
- Ninja to the Stars
- Swamp Chomper

Don't keep switching games!

Jumping from game to game slows you down. Pick one and stick with it to get the Green Light faster.

Train with Penny the Coach

Penny helps you learn the “just right” facts—especially the tricky ones. Don't skip her coaching!

Check Your Fact Pyramid

Your pyramid shows which facts you've mastered and which need more practice. Use it to get better!
